SB, 340, 345, 350, 346, 351, 357, 359, Insulation wall, 2002-03

An insulation wall assembly has been introduced. The set includes a modified insulation wall and a hose clamp. You have the choice of ordering the new modified set or making the modification yourself.

To modify the insulation wall, remove the plastic parts from insulation wall 503 86 62-01 as shown in the illustr. Once this modification has been made, hose clamp 503 56 00-03 can be fitted as shown.

New part no.	Description	Excl. part no.	Remark
537 25 13-01	Set insulation wall assy.
