SB, 385 XP, Carburetor area base, 2003-05

The carburetor area base 537 00 14-02 has been modified to prevent damage to the manifold.
The same modifications can be made to earlier parts by:

- grinding 0.7 mm (0.028") from the area marked "A"
- rounding off corner marked "B".

The part number is unchanged. New and old parts are fully interchangeable.

This modification takes effect from casting code K.

Introduced from serial number: 030900401
