MODEL 50, 254

THROTTLE LEVER

We have, in our production, introduced a wear protection on the throttle lever. The protection is made of stainless material and can be mounted on older levers.

Throttle lever compl. has the protection added.

New Ref. No.	Description	Excluded Ref. No.	Remark
503 09 79-03	Throttle lever compl.	503 09 79-01	black
503 09 79-04	"	503 09 79-02	grey
503 57 50-01	Wear protection		

The change is introduced from serial number:	254	8410397
	254 G	8420054
	50	8410364
