MODEL 165 RX

CYLINDER COVER

In order to even more improve the cylinder cover attachment, a screw and nut are introduced between the cylinder cover and the heat shield.

This means the following new parts:

<u>New Ref. No.</u>	<u>Description</u>	<u>Excluded Ref. No.</u>
502 05 24-03	Screw	
733 61 13-01	Special nut	

NOTE! Ref. No. 502 00 25-02 Cylinder cover compl.,
 Ref. No. 502 10 64-01 Heat shield compl, and
 Ref. No. 502 10 64-02 Heat shield compl. (SA*)
 Remain unchanged and are fully interchangeable with the previous design.

The screw 502 05 24-03 is excluded, when mounting a new cylinder cover with previous design of heat shield.
