New fuel hose, new tank ventilation

A helical shaped fuel hose is introduced in order to simplify the change of fuel filter. An improved tank ventilation is introduced at the same time.

New Ref. No.	Description	ExcL Ref. No.	Remark
503 57 76-01	Fuel hose	501 42 65-02	R
501 87 25-01	Tank ventilation valve	501 62 96-01	R
501 60 04-01	Filter plug		
503 69 76-01	Grommet (crankcase)	501 55 10-01	R

R = Replaced parts remain as spare parts

NOTE! When mounting the new fuel hose, a 90 mm extended hose should be available at the outside.

Introduced from serial number: 281 3260420
288 3270001
