Model 232 / 235R

Holder

Standard nuts and bolts have been introduced on the clamping joint to improve the fastening of the holder. The holder keeps its old reference number 502 20 31-03 (232R) and 502 20 31-01 (235 R).

New Ref. no.	Description
503 20 02-30	Bolt
731 23 14-01	Nut

Excl. Ref. No
503 21 07-22
