

254XP12571262XP

New fuel bracket

To prevent wear on the fuel hose/tank a new rubber bushing has been fitted to the fuel tank.

New Ref. No.	Description
503 73 58-01	Bushing fuel tank

Introduced from serial number	254XP	4420001
	257	4411604
	262XP	4420711

The rubber bushing can also be fitted to earlier models by drilling up the hole for the fuel hose to 8 mm (0.315"). Fit the rubber bushing/fuel hose.

501 76 83-02

503 73 58-01
