

**MODEL: 272S**

**SUBJECT: Converting 272S to 272K**

The 272S stump grinder can be converted to a cut off saw by using kit number: **506 27 00-54** which is the cutting wheel arbor assembly at the end of the arm mounted to the powerhead. It has a 14" shield and uses the 14" belt, part number **531 03 03-52**.

To make the conversion a smooth transition order the parts listed below:

<i>Part Number</i>	<i>Description</i>
<b>506 27 00-54</b>	<b>Kit (cutting wheel arbor assembly &amp; 14" shield)</b>
<b>531 03 03-52</b>	<b>Belt (14" heavy duty)</b>

**Order the type cutting wheel you need in 14" diameter.**

Thanks
